TK

Hi Matt
In preparation for the meeting with WBS analytics, it might be worth creating a file with the data sets and sources, with columns such as

Origin (University/WBS/UG/etc); who (e.g. Paul Johnstone Data Warehouse); What it contains (keywords), requires hand coding yes/no,

So, we have

- Paul Johnstone/Bryan: Uni, Specify what
- WBS: Dave Edie: Specify what
- WBS Foundation Year recruitment: WP criteria for FY students - Danni Ning/Karen Baker
- WBS UG office/engagement team: different scholarships for WBS WP students.
- Etc

Does this make sense? Probably good to do anyway
Thanks!
Tina

Hi Matt
They said for the first Sept meeting - I think 15th. But told them that was not going to be achievable. So no early October, but need to circulate in advance.
I'll inquire

Hi Tina

This is great, thanks! Will make a plan to add in.

Quick q: what is the timeline for your presentation again? Sorry, keeps slipping my mind!

Cheers

Hi Matt
Thanks for the update today and all your work on this.
I dug up a few scholarship info, which would be good to have stored in a label or note with the data so we remember for the future. Natwest was open to all UG students, LR and Coins only to FY students while in the FY

RBS Scholarship was a bursary of 3k over 3 years (1k instalments per year)
Hope this makes sense
Tina

	Eligibility criteria	Selection criteria	Award
Lion Rock	Attendance at least 70% HH income below £35k Acceptable PT reference	Strength of personal statement Attendance/engagement (as shown by attendance level, PT reference) Potential as an ambassador	6 x £5,000 bursaries, eligibility to apply for LR studentship
